INSTRUCTIONS AND NOTICES REGARDING BILL OF COSTS

SPECIAL NOTE: An itemization and documentation to support the claims made in all categories must be attached to the Application for Bill of Costs. Documentation must include receipts, orders, and stipulations of the parties, as applicable. Receipts must be self-explanatory (e.g., receipts for service must include the name of the individual or business providing the service). The Clerk's designee may disallow expenses that do not have supporting documentation. The claiming party must ensure that the total of the costs requested in all categories on Form CV-59 matches the total reflected in the supporting documentation. The Clerk's designee shall allow all items in the application that are properly recoverable as costs.

PROCEDURE FOR FILING BILL OF COSTS: Local Rule 54-2. Within 14 days after the entry of judgment, the party entitled to costs must electronically file this completed form, which must indicate the hour and date when the application will be made. All costs must be specified so that the nature of the claim can be readily understood. Once a determination of the allowable costs has been made, the Bill of Costs will be filed electronically by the Clerk.

TIME OF APPLICATION; HEARING: Local Rule 54-2.2. The date and time for taxation of costs by the Clerk must be not less than 14 nor more than 21 days from the date notice is given to the other parties. Applications shall be heard when and as described in the Court's Bill of Costs Handbook, available on the court's website.

ALSO NOTE:

28 U.S.C. § 1924: Verification of bill of costs. Before any bill of costs is taxed, the party claiming any item of cost or disbursement shall attach thereto an affidavit, made by himself or by his duly authorized attorney or agent having knowledge of the facts, that such item is correct and has been necessarily incurred in the case and that the services for which fees have been charged were actually and necessarily performed.

28 U.S.C. § 1920, which provides in part: "A bill of costs shall be filed in the case and, upon allowance, included in the judgment or decree."

The Federal Rules of Civil Procedure contain the following provisions:**Rule 54(d)(1)**

Costs Other Than Attorney's Fees. Unless a federal statute, these rules, or a court order provides otherwise, costs - other than attorney's fees - should be allowed to the prevailing party. But costs against the United States, its officers, and its agencies may be imposed only to the extent allowed by law. The clerk may tax costs on 14 days' notice. On motion served within the next 7 days, the court may review the clerk's action.

Rule 6(d)

Additional Time After Certain Kinds of Service. When a party may or must act within a specified time after service and service is made under Rule 5(b)(2)(C), (D), (E), or (F), 3 days are added after the period would otherwise expire under Rule 6(a).

Rule 58(e)

Cost or Fee Awards. Ordinarily, the entry of judgment may not be delayed, nor the time for appeal extended, in order to tax costs or award fees. But if a timely motion for attorney's fees is made under Rule 54(d)(2), the court may act before a notice of appeal has been filed and become effective to order that the motion have the same effect under Federal Rule of Appellate Procedure 4(a)(4) as a timely motion under Rule 59.
